#### **Teaching**

- Instructor, ‘Science, Technology and Society’ postgraduate seminar, MSc programme ‘Electric and Electronic Sciences by Research’ (academic year 2022-23), organized by the Department of Electrical and Electronic Engineering, Engineering School, University of West Attica.
- Instructor, ‘History of Technology’ course (academic year 2022-23), Department of Electrical and Electronic Engineering, Engineering School, University of West Attica.
- Instructor, ‘History of Technology: Future Technologies and Challenges’ and ‘Science, Technology and Society’ postgraduate seminars, MSc programme ‘Electric and Electronic Sciences by Research’ (academic year 2021-22), organized by the Department of Electrical and Electronic Engineering, Engineering School, University of West Attica.
- Instructor, ‘Science, Technology and Society’ course (academic year 2021-22), Department of Electrical and Electronic Engineering, Engineering School, University of West Attica.
- Co-Instructor, ‘History of Technology’ postgraduate seminar, MSc programme ‘History and Philosophy of Science and Technology’, organized by the Department of Philosophy and History of Science, National and Kapodistrian University of Athens (academic year 2021-22). (With Professor A. Tympas).
- Co-Instructor, ‘History of Technology’ postgraduate seminar, MSc programme ‘History and Philosophy of Science and Technology’, organized by the Department of Philosophy and History of Science, National and Kapodistrian University of Athens (academic year 2020-21). (With Professor A. Tympas).

- Instructor, ‘History of Technology: Future Technologies and Challenges’ and ‘Science, Technology and Society’ graduate seminars, MSc programme ‘Electric and Electronic Sciences by Research’ (academic year 2020-21), organized by the Department of Electrical and Electronic Engineering, Engineering School, University of West Attica. Conducted using the MsTeams distance learning platform.
- Co-instructor, ‘Historical Research and Methodology’ postgraduate seminar, of the Program of Postgraduate Studies (PPS) on Contemporary Greek and European History of the Department of History and Archaeology of the University of Crete (academic year 2020-21). Four three-hour lectures on ‘Technology, History and the Production Process; Narrating the Second Industrial Revolution’, conducted using the Zoom distance learning platform.
- Instructor, ‘History of Technology: Future Technologies and Challenges’ and ‘Science, Technology and Society’ postgraduate seminars, MSc programme ‘Electric and Electronic Sciences by Research’ (academic year 2019-20), organized by the Department of Electrical and Electronic Engineering, Engineering School, University of West Attica. Conducted using the MsTeams distance learning platform.
- Instructor, ‘History of Science and Technology’ course (academic year 2019-20), Department of Electrical and Electronic Engineering, Engineering School, University of West Attica. Conducted using the MsTeams distance learning platform.
- Co-instructor, ‘Perspectives on the History of Technology’ course (academic year 2019-20), Department of Philosophy and History of Science, National and Kapodistrian University of Athens. Conducted using the MsTeams distance learning platform.
- Instructor, ‘History of Science and Technology’ course (academic year 2018-19), Department of Electrical and Electronic Engineering, Engineering School, University of West Attica.
- Instructor, ‘History of Technology: Future Technologies and Challenges’ and ‘Science, Technology and Society’ postgraduate seminars, MSc programme ‘Electric and Electronic Sciences by Research’ (academic year 2018-19), organized by the Department of Electrical and Electronic Engineering, Engineering School, University of West Attica.
- Instructor, ‘History of Technology’ course (academic year 2018-19), Department of Informatics and Computer Engineering, Engineering School, University of West Attica.
- Instructor, ‘Science, Technology and Society’ course, (academic year 2018-19) Department of Electrical and Electronic Engineering, Engineering School, University of West Attica.
- Co-instructor, ‘History of Technology’ postgraduate seminar, MSc interuniversity programme History and Philosophy of Science and Technology (academic year 2017-18), organized by the Department of Philosophy and History of Science, NKUA, & and the Division of Humanities, Social Sciences and the Law, School of Applied Mathematical and Physical Sciences, National Technical University of Athens. (With emeritus Professor A. Tympas).
- Co-instructor, ‘Environmental Knowledge and its Social Preconditions’ postgraduate seminar, (academic year 2017-18) MSc Programme Education on Environment and Sustainability, organized by Demokriton University of Thrace. (With emeritus Professor S. Arapostathis and emeritus Professor V. Sirinidou). Conducted via the e-learning platform of the Demokriton University of Thrace.

- Co-instructor, ‘History of Technology’ seminar, (academic year 2016-17) organized by the Laboratory of Historical Studies of the National Research Foundation. (With emeritus Professor A. Tympas).
